

7-9 May 2009, Hammamet, Tunisia

To Dr. Loc Nguyen
Faculty of Information Technology, The University of Natural Science,
Ho Chi Minh city, Vietnam

Dear Dr. Nguyen,

I am pleased to inform you that your paper entitled:

"Evolution of parameters in Bayesian Overlay Model" submitted to the International Conference on ICT and Accessibility (ICTA 09), 7-9 May 2009, Hammamet, Tunisia, has been accepted for publication in the conference. You will receive by e-mail the reports of the reviewers. Please consider the reviewers' comments carefully when preparing the final version of your paper. The camera-ready copy of your paper and author registration are required before February 28 2009.

The ICTA 09 web site (<http://www.icta.rnu.tn>) provides all necessary information about conference registration and hotel accommodation.

Sincerely yours,
Prof. Mohamed JEMNI
Program Chair of ICTA 09
